Hey Lisa,

Fran just called me and said that she does now have a meeting this afternoon that she can't miss. We do very much want to prioritize this call this week though.

I re-checked her availability and she and I are both available:

Wednesday from 8am – 1:45pm or after 3:30pm

Thursday all day (she has another meeting this day, but she will prioritize this meeting over any other)

Thanks,

Tiffany

Thanks, Lisa! And I think we would like discuss the LO parameters, but really ground this in the Swinomish subaward, as that is the issue that we need to work through.

If you, Dan, and Angela are available at 3, I think that would work for me and Fran. I'll send Fran an email now.

Thanks!

Tiffany

Hi Tiffany,

Dan and Angela's calendars look open for Tuesday at 3. Hope that still works for you and Fran. There is a chance I could be mistaken as Dan has been out of the office and it's possible things may get added when he returns, but so far it looks clear on his calendar.

The topic of discussion will mainly be around NEP LO roles and, as we discussed on last week's call with Larry, what parameters LOs function within as NEP LOs (i.e., not so much specifically about the Swinomish subaward). Is that your understanding too? I just wanted to clarify!

Hey Lisa,

I just confirmed Fran's schedule for next week and here are our availabilities:

Tuesday: All day except 11-1

Wednesday: After 11am

Thursday: All day

For Wednesday, I would normally have the LO Coordinator's meeting, but I can skip that meeting if that timeslot ends up being the only one that is available for you, Angela, and Dan.

Thanks,

Tiffany
